LIMITED WARRANTY STATEMENT

What this warranty covers:

This product is guaranteed free from defects in materials or workmanship for a specified period (see warranty period at bottom) from the original date of purchase. EMD will, at its discretion, replace or repair any STAGG® product or part thereof, which is found by EMD to be defective. EMD reserves the right to use materials that are readily available at the time of the repair.

Warranty limitations:

This warranty does not cover normal wear and tear, nor damages caused by an unqualified repairperson, nor faults due to misuse (e.g cutting, dropping or pulling), accident or neglect, or resulting from exposure to extreme temperatures or weather conditions. Any warranty claim by a person other than the original purchaser will be considered null and void. This warranty is void if the product has been altered in any manner which EMD concludes, after inspection, alters the reliability of this product.

This warranty is not a service contract and does not cover maintenance, cleaning or periodic check-up. The sole responsibility of EMD during this period of warranty is the repair of the product, or replacement thereof, including parts, at the sole discretion of EMD. EMD reserves the right to make changes in design and/or improvements upon its products without any obligation to include these changes in any product theretofore manufactured.

Under the terms of this warranty EMD accepts no responsibility for incidental or consequential damages of any nature associated with the use of EMD products. Transportation costs are not included in this warranty.

To obtain warranty service:

The product must be returned to EMD through an authorized STAGG® dealer, all freight and insurance being prepaid. The original invoice or sales receipt must accompany the defective item, along with a written statement detailing the fault. In the absence of this clear proof of purchase, EMD reserves the right to refuse to provide free of charge service. This warranty is not transferable. This guarantee does not affect your statutory rights under applicable national laws in force. For warranty claims outside Benelux, France, United Kingdom, Germany, Austria, Ireland and the United States, please contact your local STAGG® distributor.
